Stagger 277V Halo Linear Pendant By Visual Comfort Modern

Description

Sleek and minimal yet grand in scale, the Stagger Halo Linear Pendant brings visual interest and energy into a modern space. LED lights and acrylic diffusers run along its metal rectangular frame, casting soft ambient illumination. Two light direction options are available: uplight only, or both uplight and downlight. As it creates a visual canopy, this pendant brings human scale to spaces with tall ceilings and works well over tables, kitchens, and other settings.

Shown in polished stainless steel
