Raimond II 0-10V Driver

By Moooi

Description

The Raimond II 0-10V Driver is an optional accessory for the Raimond II Pendant by Moooi. The driver allows the pendant to be integrated with 0-10V dimming systems to customize the brightness and energy consumption to best suit the space's needs. Includes mounting bracket. Note: The Small driver is for use with the 16.9 inch pendant, the Medium driver for 24 inch pendant, and the Large driver for 35 inch pendant.
