## No Screw No Glue Buffet

By Moooi

### Description

The No Screw No Glue Buffet offers the look and feel of a traditional buffet cabinet with a modern twist. The cabinet is made of Richlite, a durable and sustainable material that combines recycled paper, responsibly harvested trees, and resin. The cabinet ships flat-packed and requires assembly, which is made easy by its ingenious design. As its name suggests, No Screw No Glue is assembled by simply sliding the pieces into place.
