Tala Rotary Trailing Edge Dimmer

By Tala

Description

The Tala Rotary Trailing Edge Dimmer was developed to produce the best possible performance for Tala's collection of LED bulbs and light engines. The dimmer offers smooth dimming from 0-100% with easy installation and use. The screwless stainless steel faceplate is paired with a knurled knob in solid brass or anodized aluminum (Graphite finish) for a luxe but minimalist aesthetic. Compatible with 2-200W load for LED or 10-300W load for incandescent.
