## New York Sled Base Stool

By Connubia

### Description

The NNew York Sled Base Stool has a metal frame with a sled base and upholstered seat/backrest. The enveloping backrest and the large seat, which make the seat always very comfortable, are both padded. The stool also comes with four shock-proof plastic glides in a neutral color, positioned under the sled base with a footrest. An ergonomic and designer stool, NEW YORK is ideal for completing the furnishings of the dining area.

Shown in matte black metal / desert faux leather
