Radiance Lighted Mirror

By Electric Mirror

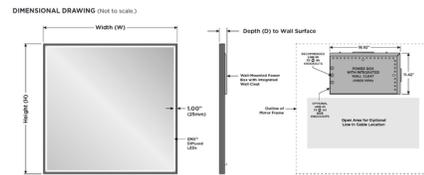

Description

The Radiance Lighted Mirror features a sleek and modern profile with inward-facing task lighting for facial illumination. Corrosion resistant OmegaMirror glass. Dimmable with a forward phase dimmer. Note: 120 volt hardwire electrical connection with direct wire from behind power box or provide whip to reach side knockout; junction box not required. Note: The Radiance mirror must be installed in the W x H (width x height) orientation as listed; it cannot be installed in any other direction.

Shown in etched chrome / mirror
