Ascension Lighted Wardrobe Mirror

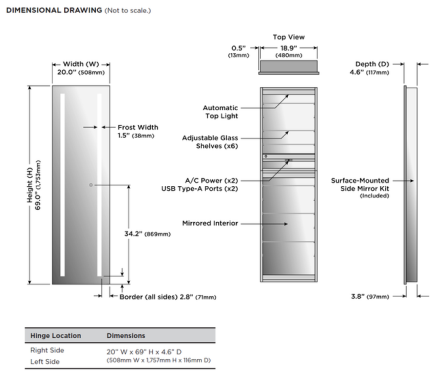

By Electric Mirror

Description

Elevate your bathroom space and create a uniquely modern look combined with real-world functionality. The Ascension Lighted Wardrobe Cabinet features a streamlined design with ascending vertical lighting, thoughtful details for added convenience, and ample storage space to create a haven of organized elegance. Cabinet features mirrored interior with automatic top light, adjustable glass shelves, two electrical outlets with two USB Type-A ports inside cabinet, magnetic strip inside cabinet for small personal grooming tools, wide 140 degree door opening for optimized usage, edge-guard protective trim around entire mirror door, and soft close, adjustable damping, quiet landing, and fast close hinges. Can be recessed or surface mounted (side panel mirror kit included).Mirror is lead-free, copper-free, corrosion resistant OmegaMirror. One touch dimmable forward facing task lighting for brilliant facial illumination.Controlled by non-dimming wall switch for on/off, and capacitive touch button on fixture for dimming.Note: Ascension can only be hung in the W x H orientation as shown; fixture is not field-interchangeable.
