Bodin Smart Ceiling Fan with Light

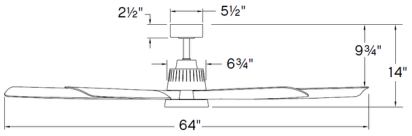

By Hinkley Lighting

Description

With its uniquely curved blades and a subtly tapered motor housing silhouette, the Bodin Smart Ceilng Fan with Light adds a sense of sophistication to your space. Built with a powerful yet quiet DC motor and an integrated LED light, this fan delivers comfortable airflow and illumination for both indoor and covered outdoor areas. Included is a convenient wireless HIRO control, which uses both WiFi and RF technology. It can be used to control motor on/off, 6 speeds, forward and reverse, and light on/off with warm dimming from 3000K to warmer. It can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. You can also manage the fan using the Hinkley app on your smartphone or other device. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart systems including Google, Alexa, and Siri. A cap for no-light use is included, and other optional accessories are sold separately.
