Twain Low Armchair

By Magis

Description

The Twain Low Armchair, designed by Konstantin Grcic, takes its design to become a study in sustainability. Elegant, practical and eco-friendly, Twain brings together a mix of natural materials: wood, leather and fabric. The structure consists of a frame interlocks spindles in solid beech, held in tension by a strap and ratchet. The armrests consist of two strips of leather. The textile part consists of a seat and backrest in self-supporting fabric, with seat cushion and backrest cover in removable fabric. For a chair that offers a feeling of freedom and pure comfort.
