Liliana Pendant

By Mitzi

Description

Simplified and serene, the rise-and-fall Liliana Pendant draws from timeless design motifs. Inspired by the shape of a basket, the soft white dome shade is complemented by curved metal details. Equally beautiful as it is practical, this pendant can be simply adjusted to any height using the delicate gold handle, making it ideal for task-oriented settings. Finished in Aged Brass, Lilianna provides gentle illumination in both traditional and modern settings.
