Milena Swing-Arm Plug-In Wall Sconce By Mitzi

Description

Inspired by satellites in orbit, the Milena Plug-In Wall Sconce brings a mid-century punch of style to any space. The unexpected proportions elevate this fixture from background lighting to a striking statement piece. Amplifying the light, each oversized reflector is both futuristic and functional. The shades of Milena pivot to allow for customized adjustment to direct light precisely where needed. Wall Sconce can be hardwired or plugged in.
