Centella Table Lamp

By Mitzi

Description

The Centella Table Lamp is all about contrasts. While embodying minimalist design principles, this highly tactile table lamp juxtaposes elements of hard and soft, presence and absence. Materiality is key, with a natural hand-woven jute shade fanning out over a smooth cement base. Featuring a concave indentation at the center of the base, Centella's distinctive profile is a study in dimensionality. On/off cord switch.
