Description

The Pirouette V1 Wall Sconce is both decorative and functional with its rotating shade. The angled brass shade can be rotated 360 degrees to aim its light, and a built-in touch dimmer allows the brightness to be easily adjusted. Pirouette's versatile design makes it a perfect fit as a bedside reading lamp, or a row of them can be used to light a hallway. Includes 4.7 inch W mounting plate to cover standard US junction box.
