Nacho Small Linear Pendant By CVL Luminaires

Description

The Nacho Small Linear Pendant juxtaposes geometric and organic shapes along a slim linear frame for a playful but elegant aesthetic reminiscent of an abstract painting. An LED strip along the length of the fixture provides warm downlighting, while a glass globe diffuser on one end of the pendant adds a luminous accent. Finish refers to the linear bar and canopy finish; Color refers to finish of the curved, organic shape; Option refers to the finish of the circular disc shape. Includes one 20W integrated LED; also requires two 3W G4 bulbs (not included). Includes 4.5 inch wide canopy plate to cover standard US junction box.
