Nacho Large Linear Pendant

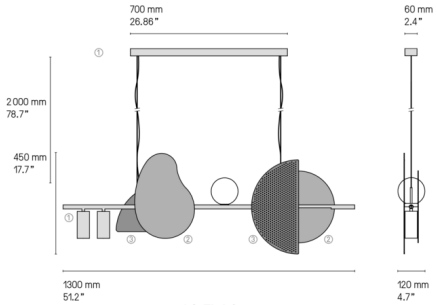

By CVL Luminaires

Description

The Nacho Large Linear Pendant juxtaposes geometric and organic shapes along a slim linear frame for a playful but elegant aesthetic reminiscent of an abstract painting. An LED strip along the length of the fixture provides warm downlighting, while a glass globe diffuser in the center of the pendant adds a luminous accent. Two cylindrical downlights at the end of the fixture provide additional lighting and add to the asymmetrical look.Finish refers to the linear bar and canopy finish; Color refers to finish of the curved, organic shape and circular disc; Option refers to the finish of the perforated half circle and quarter circle shapes. Includes one 26W integrated LED; also requires one 3W G4 bulb and two 7W GU5.3 bulbs (not included). Includes 4.5 inch wide canopy plate to cover standard US junction box.

Shown in satin brass / satin brass
