Hashira Linear Pendant

By Audo Copenhagen

Description

Designed to bring serenity and sophistication the Hashira Linear Pendant is ideal over a dining table or desk. The Hashira Linear Pendant Lamp redefines with its horizontal form, delivering ambient lighting in a minimalist aesthetic. The streamlined lamp appears to float on air, suspended from the ceiling by wires and its raw linen shade held in place by magnets, eliminating the need for bulky screws. The dimmable light source emits a warm glow, bright enough for tasks yet subtle enough to add ambience.
