Commodus Ceiling Fan with Light

By Casablanca Fan

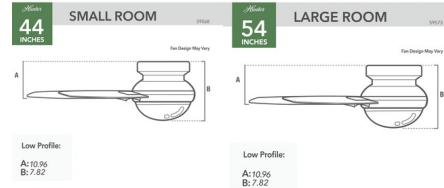

Description

The Commodus Ceiling Fan with light touts a transitional design making it a unique ceiling fan for contemporary and casual room styles. The compact ultra-low-profile design makes the Commodus ideal for rooms with low ceilings. It fits flush to the ceiling to deliver powerful air performance without sacrificing style or space in rooms with low ceilings. This ceiling fan is perfect for bedrooms, living rooms, fitness rooms, and dining rooms. The performance ceiling fan blades are optimized for efficient air movement. The Commodus fan features a preinstalled remote receiver for easy installation, an LED light module, and a wall control for fan speed and lighting adjustments.
