## Gretchen Table Lamp By Dainolite

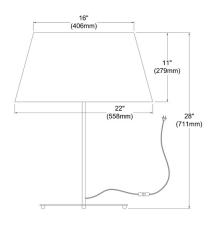

**T**20

## Description

Meet the Gretchen Table Lamp, a statement piece for any room. The transitional style of this lamp pairs well with both modern and traditional decor, rendering it a versatile addition to your space. Crafted from durable metal and fabric, it brings elegance and visual interest to your office or bedroom. With its unique round base and beautifully tapered drum shade, this table lamp is more than just a source of light - it's a piece of art. On/Off rocker switch on cord.

Shown in matte white / white  $% \left( 1\right) =\left( 1\right) ^{2}$
