Handler 24V Wall Sconce

By Et2

Description

The excellently crafted Handler 24V Wall Sconce is ideal for highlighting spaces and providing ambient, articulating light. A knurled section of aluminum tubing meets a larger smooth surfaced aluminum housing. Recessed within this housing is a high powered, low voltage LED light source. Dimmable via Triac or electronic low voltage (ELV) dimming. Note: This fixture does not mount to a standard junction box - a 2x4 inch junction box is required.
