## Spartan Wall Light By Et2

## Description

The rounded ends soften the overall appearance of the Spartan Wall Light. Hardworking features provide ample illumination built within the sconce's low profile that complies with ADA regulations. Its LED light source shines up and down and includes a 120-277V range voltage input driver. Great for applications both interior or exterior, this collection can be used in residential or commercial applications as well. Dimmable via Triac or electronic low voltage (ELV) dimming at 120V.

Shown in natural aged brass
