Brik Outdoor Wall Sconce with Motion Sensor/Photocell

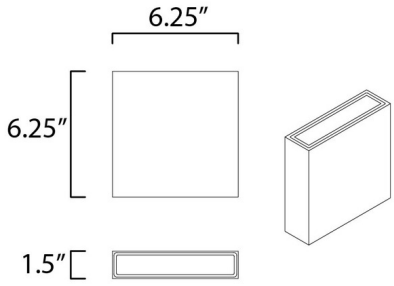

By Et2

Description

The Brik Outdoor Wall Sconce is not only attractive but offers robust features. As a low profile LED down wall sconce, it provides ample illumination that complies with ADA regulations and features a motion sensor/photocell. Fitted with a 120-277V range voltage input driver, the sconce can be used in interior and exterior spaces whether residential or commercial applications call for it. Dimmable via Triac or electronic low voltage (ELV) dimming at 120V.
