Travertine Multi Light Pendant

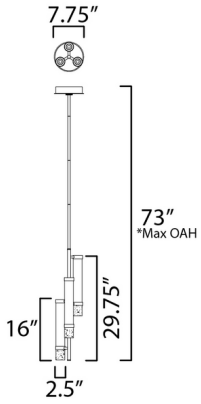

By Et2

Description

The use of this stone has been central to the building blocks of our history in the Travertine Mulit Light Pendant. Reimagined in a modern context, columns of Travertine are assembled alongside LED tubes in an attractive, minimalist composition. The perfect neutral for a space that is searching for more organic elements, the LED light source is evenly diffused withing Matte White acrylic with Gold-plated accents. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming.

Shown in gold / travertine / white

*max overall height
