Tartan Color Select Linear Pendant By Et2

Description

Inspired by patterned fabrics of the Scottish Highlands, the Tartan Linear Pendant features a waving grid-like design etched deep into the transparent acrylic body. Hand-formed into a curling structure, the material gives the impression of billowing in the breeze. Color temperature (3000K, 3500K, 4000K) selection at the canopy allows you to choose from Warm, Neutral, and Cool White colored LED lighting. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming.

Shown in brushed champagne / clear
