Anisten Energy Star Ceiling Fan By Hunter Fan

Description

Update your space with the contemporary Anisten Energy Star Ceiling Fan with Light. Its clean lines and neutral finishes are an ideal complement for rooms of any style. Equipped with a 4-speed DC WhisperWind motor, the Anisten quietly delivers powerful airflow while the light kit provides ambient illumination, creating a comfortable environment. 13 degree blade pitch. Reversible blades offer flexibility to tailor the look to your decor. Pull chains are included for turning the fan on/off, adjusting speed, and turning the light on/off. Includes 3 inch downrod. Note: For an extension downrod longer than 18 inches, a DC Accessory Wire Kit is required. Additional downrod lengths and optional accessories are sold separately.
