Maurice Table Lamp

By Jamie Young Company

Description

The Maurice table lamp takes the style of classic Italian antiques and infuses a global aesthetic. The handcrafted ceramic body has a soft, organic shape and is finished with hand-applied swirls in neutral whites. To modernize the lamp, it is finished with a crystal-clear acrylic base and finial, and a white linen drum shade. Due to the handcrafted nature of the ceramic, each piece may have slight variations. 3-way switch on the socket.
