Crisp 3000K Trimless Ceiling Light

By Maxim Lighting

Description

High performance and high in style, the Crisp 3000K Trimless Ceiling Light is designed as a surface mount that installs into a variety of 4-0 junction boxes while boasting a recessed appearance. The fixture almost impossibly slopes into the junction box with snap in trims. Not only good-looking, the ceiling light also delivers over 1000 lumens providing ample lighting. With its concave design, the light source is concealed from the finished ceiling surface reducing glare. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in white
