Regent Pendant

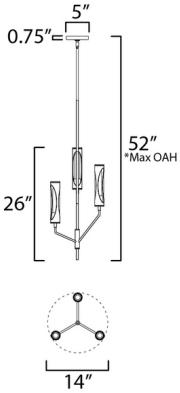

By Maxim Lighting

Description

Glamourous and modern, the two-toned Regent Pendant plays with form and scale. A layered composition of materials, tubular lamps are protected within glass tubes sheathed in metal shades with oval cut-outs that reveal the light source. Arms extend in elongated, uneven heights for dramatic applications. The vibrant color palette plays with contrast and exudes luxury. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in aged brass / black / clear

*max overall height
