Float Wall/ Ceiling Light

By Maxim Lighting

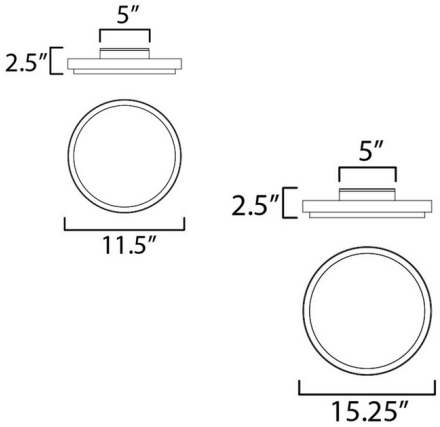

DAMP

Description

Minimal in design but offering the max in terms of function, the Float Wall/ Ceiling Light is ideal for use in commercial and residential applications. From bright corridor illumination with both direct and indirect illumination, to mounting applications on the ceiling or wall mounting, it is even durable enough for outdoor environments. Constructed from high quality cast aluminum with no visible hardware when mounted. The direct light source casts smooth, uniform illumination across a UV stabilized frosted acrylic diffuser. Dimmable via Triac or electronic low voltage (ELV) dimming at 120V or 0-10V dimming.
