Description

The Projecteur IP54 Outdoor Wall Light was inspired by the fixtures Le Corbusier designed for India's Sanskar Kendra Museum in 1954. The aluminum body is paired with a rounded, sandblasted glass diffuser that is fastened to the body with locking clips. The body is mounted on an adjustable frame that can be tilted and rotated to aim the light beam. Maybe installed as a wall or ceiling light. IP54 rated for outdoor use.
