Mais Plus Que Cela Je Ne Peux Pas Mini Table Lamp

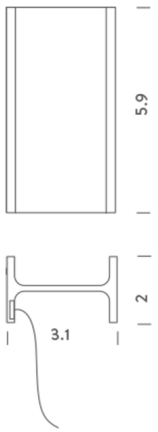

By Nemo

Description

The Mais Plus Que Cela Je Ne Peux Pas Mini Table Lamp was designed by architect Rudy Riciotti and inspired by another one of his creations, the Museum of European and Mediterranean Civilizations in Marseille, France. The lamp recalls the museum's iconic footbridge, which links the modern museum building to the historic Fort Saint Jean across the harbor, as well as a steel girder. A LED strip on one side of the lamp provides illumination for this petite lamp, which can be placed vertically or horizontally. On/off switch on cord.
