## La Roche Outdoor Wall Sconce

By Nemo

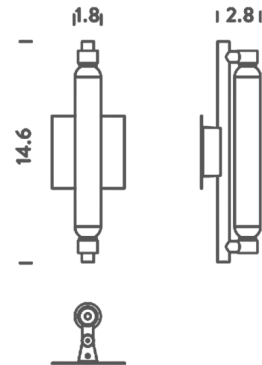

### Description

The La Roche Outdoor Wall Sconce was the first wall lamp designed by iconic French architect and designer Le Corbusier. Originally created specifically for the Villa La Roche in Paris, Nemo has updated this classic design for the modern age with an integrated LED light source. The light is housed within an opal glass diffuser that softly disperses light. Includes mounting plate for US junction box. IP45 rated.

Shown in matte grey / opal
