Type Floor Lamp

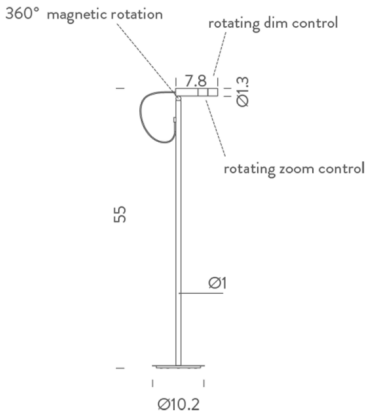

By Nemo

Description

The Type Floor Lamp is a sophisticated, technical lighting fixture with versatile functionality. The cylindrical lamp head holds two rotating rings, one of which controls the brightness while the other adjusts the beam angle from 15 to 60 degrees. The lamp head sits atop a magnetic spherical joint which allows 360 degree rotation to aim the light precisely where it is needed. Type's clean, minimal aesthetic makes it a natural fit in any interior.
