Axis Swag Multi Light Pendant By Hammerton Studio

Description

The Axis Swag Multi Light Pendant is an eye catching piece for your interior space. The round, hand polished canopy is complemented with thick artisan cast glass from excess materials from Hammerton's glassblowing, creating the unique characteristics of this luxury light that will dramatically refract light in surprising ways. Note: A hook for each pendant allows you to create your own unique look. Note: Due to the weight of the 9 light and 12 light fixtures, additional ceiling support is required.

Shown in gilded brass / clear cast
