## Cabochon Swag Multi Light Pendant By Hammerton Studio

### Description

The Cabochon Swag Multi Light Pendant brings a sculptural fusion of style and light to your interior space. The smooth round frame is complemented by gemstone inspired, artisan blown glass diffusers that are capped, casting warm shadows of light across your room. Note: A hook for each pendant allows you to create your own unique look. Note: Due to the weight of the 9 Light and 12 Light fixtures, additional ceiling support is required.

Shown in travertine / gilded brass / smoke
