Cosmos Swag Multi Light Pendant

By Hammerton Studio

Description

The Cosmos Swag Multi Light Pendant is a clean piece, that combines the Aster, Nova, and Meteo shaped glass shades, making this perfect in a variety of interior spaces. The artisan blown and cast glass, undulated gently in an organic form, creates an interesting conversation piece. Each Piece is a unique work of art. Note: A hook for each pendant allows you to create your own unique look. Note: Due to the weight of the 9 light and 12 light fixtures, additional ceiling support is required.
