Meteo Swag Multi Light Pendant

By Hammerton Studio

Description

The Meteo Swag Multi Light Pendant is a clean simple piece, perfect in a variety of interior spaces. The artisan blown and cast glass, undulated gently in an organic form, creates an interesting conversation piece and warm shadows of light across your room. Note: A hook for each pendant allows you to create your own unique look. Note: Due to the weight of the 9 and 11 light fixtures, additional ceiling support is required.
