Spinning BH1 Pendant - Overstock By &Tradition

Description

Inspired by a spinning top, the Spinning BHI Pendant sports a joyful silhouette that reminds us of the childhood toy. Its name also alludes to the manufacturing technique--the shade is lathespun into its distinct shape from a single sheet of aluminum, and lacquered. Injection-molded silicone hardware, a PVC cord, and a PVC domed canopy complete the fixture. NOTE: This is a discontinued model and limited to quantity on hand.
