## Loop Chair Set of 2 - Overstock

By Qeeboo

### Description

The Loop Chair is modeled after artworks that materialize the movement of a pencil in space. The motif is a sequence of variable section curves that reconsiders the Thonet classic with a new, baffling stroke, putting the chair inside a new imaginary world where it can sustain itself despite the voids. Sold in a set of 2 chairs. BR> NOTE: This is a discontinued model and limited to quantity on hand.

Shown in black
