Cathode 0-10V Dim Pendant

By Davide Groppi

Description

The Cathode Pendant's streamlined form was inspired the shape of parabolic lightbulbs, with a slim neck tapering outwards to a flared base. The blown glass body and metal stem house an integrated LED light source that is diffused through the frosted glass base. Driver is 0-10V dimmable. The Matte White pendant includes a white cord and canopy, and the Brushed Brass pendant includes a black cord and canopy. NOTE: This is a discontinued model and limited to quantity on hand.
