Thin-Line Two Sided Pendant - Overstock

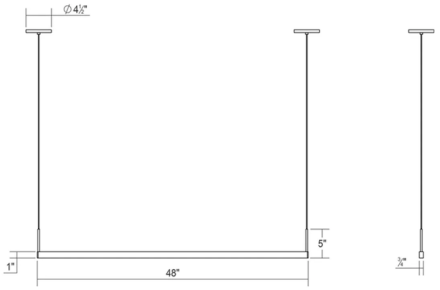

By Sonneman

Description

The Thin-Line Two Sided Pendant is sleek and minimal in form, embodying geometric architectural style and integrating beautifully into modern spaces. Made of aluminum and an optical acrylic diffuser, it is both stylish and functional. Use it to illuminate a range of settings including dining and kitchen areas, offices, and commercial interiors. Directs light both up and down (light sources can be controlled independently). Note: The included LED driver must be installed in a remote accessible location near the fixture.Optional Mini Canopy accessory sold separately.

Shown in satin white / white acrylic
