Ultra Germicidal U-VC Smart Fan - Overstock

By Modern Forms

Description

The Ultra Germicidal Indoor/Outdoor U-VC Smart fan features a sleek well design look that is combined with a UV-C LED module that can substantially decrease the concentration of viral pathogens, including the SARS-CoV-2 virus. Available with a Matte Black motor and Matte Black blades, or Matte White motor with Matte White blades. For unprecedented control, connect with the exclusive Modern Forms app via Wi-Fi from anywhere in the world. This fan includes a scalable Bluetooth remote and integrates seamlessly with leading smart home devices using voice command for energy savings and the ultimate in home innovation. Can be installed on ceilings up to 32 degrees. Includes 6in and 10in downrods. Note: This is a discontinued model and limited to quantity on hand.

Shown in matte white / matte white
