Outrack Nans Balis Outdoor Linear Pendant By Bover

Description

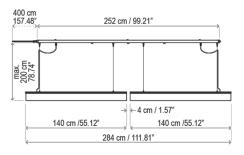

The Outrack Nans Balis Outdoor Linear Pendant combines modern design with Mediterranean charm. It features a pair of shades made of recyclable, non-toxic polyethylene strands, with multiple colors hand-woven together, offering texture and durability for outdoor use. A polyethylene diffuser set in the shade softens the LED light. The Nans is perfect for bringing warm, refreshing light to your deck or patio, or for creating inviting scenes in outdoor lounges and restaurants. The pendants are suspended from Bover's innovative Outrack system, which easily allows the pendants to be taken down and stored during the offseason months without disassembling the entire system. A track canopy, remote 24V power supply, and four pendants are included.
