Kando Outdoor Floor Lamp By Bover

Description

The Kando Outdoor Floor Lamp takes its name from a Japanese word used to describe the deep emotions experienced while in the presence of something extremely valuable. Both decorative and functional, Kando was designed to transform any space's atmosphere with its warm light. The triangular teak wood frame surrounds a cylindrical shade of nautical cord, which gently filters light from the integrated LED light source. Includes built-in three-step dimmer (100% / 66% / 33%) and CCT-select (2200K, 2400K, or 2700K) on top of lamp.
