Kando Outdoor Portable Floor Lamp By Bover

Description

The Kando Outdoor Portable Floor Lamp takes its name from a Japanese word used to describe the deep emotions experienced while in the presence of something extremely valuable. Both decorative and functional, Kando was designed to transform any space's atmosphere with its warm light. The triangular teak wood frame surrounds a cylindrical lamp shade of polyethylene nautical cord, which softly filters light from the integrated LED light source. A rechargeable battery allows the lamp to be placed wherever it is needed most. Includes built-in three-step dimmer (100% / 66% / 33%) and CCT-select (2200K, 2400K, or 2700K) on top of lamp. Includes USB-C cable with USB-C to USB-A adapter (wall plug not included).

Specifications
