Frame Outdoor Wall Sconce with Smart Button

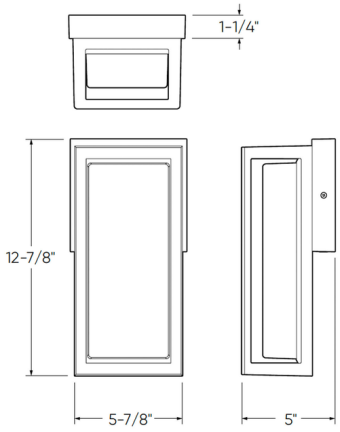

By DALS Lighting

Description

The Frame Outdoor Wall Sconce elegantly combines functionality with style. Features RGB+ White (2200K-4000K color temperature in pure whites) conveniently controlled by a sleek smart button for personalized illumination. Choose from 7 preset colors and 5 white tones directly using the Smart button, or access additional options through the Dals Connect app. The Dals Connect app allows for remote access to create groups, set schedules, and dim/control color temperature. IC rated.

Shown in black / clear
