Horus 3 Inch Round Color-Select Gimbal Recessed Downlight

By DALS Lighting

Description

The Horus Gimbal Recessed Downlight is a versatile lighting solution with a flexible design for precise illumination. The gimbal mechanism allows users to easily adjust the light angle, making it ideal for residential or commercial settings. The compact size is suitable for tight spaces, and the spotlight's focused beam makes it perfect for accent lighting or task-oriented applications. 30 degree tilt. 360 degree rotation. Includes a junction box with an integrated driver. Features switch-selectable color temperature: 2700K, 3000K, 3500K, 4000K, 5000K (switch on driver). TRIAC dimming (see attached manufacturer dimmer reference).
