Contour 12V Color-Select Hardscape Step Light

By DALSi Lighting

Description

The Contour's compact size ensures a discreet and unobtrusive appearance while providing ample illumination for small to medium-sized areas. Its sleek and modern design seamlessly integrates into hardscape elements such as walls, steps, and patios. Crafted with high-quality materials, this fixture is built to withstand the elements, ensuring long-lasting durability and performance. Can be mounted to wood or concrete. Surface or recessed installation. Features switch-selectable color temperature: 2200K, 2700K, 3000K, 3500K, 4000K. NOTE: Required transformer and optional accessories sold separately.
