Alter 4 Inch Round Retrofit Panel Light By DALS Lighting

Description

The Alter 4 Inch Round retrofit LED panel offers the easiest and most practical solution for upgrading your outdated recessed lighting. For style and convenience, the removable outer trim attaches with magnetic fasteners, creating a seamless look. It can be easily retrofitted into existing 4 inch canisters or standard octagonal junction boxes. Available in 3000K color temperature or switch-selectable color temperature 2700K, 3000K, 3500K, 4000K or 5000K with switch on fixture. TRIAC dimming (see attached manufacturer dimmer reference). NOTE: Accessory kit with clips and E26 socket and optional trim sold separately.
