## Constellation Cassiopeia Ceiling Light

By Lasvit

### Description

Created by New York-based architect and designer David Rockwell, the Constellation Cassiopeia Ceiling Light was inspired by the celestial ceiling mural of Grand Central Terminal, which depicts a series of constellations in the night sky. The fixture features a quintet of copper-colored glass shades with integrated LED light sources set within a stainless steel frame to create a dazzling visual focal point in any interior.

Shown in champagne stardust / copper
