Random Cloud Chandelier

By LODES

Description

The Random Cloud Chandelier showcases the beauty of the spherical form with a cluster of blown glass globe shades appearing to float in mid-air like a cloud of light. Both voluminous and ethereal, the Random Cloud will make a bold statement. In addition to its dazzling looks, the chandelier is also functional by providing high-performance illumination from its integrated LED lights. Available with small (9.1 inch) or large (11 inch) globes. TRIAC dimmable.

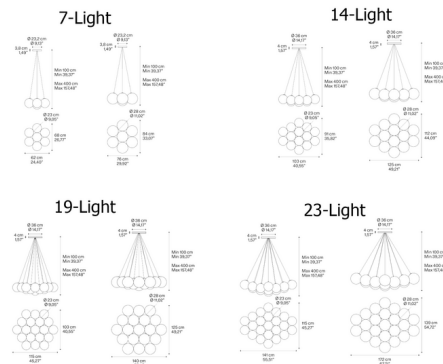

Shown in matte white / glossy smoke
